From the Meadow Oaks Board of Directors

Greetings from your new Board of Directors. We are pleased to welcome two residents, Ed Kuss and Larry Schrieffer, who have volunteered to serve on the Board.

The MOMA Board positions for the coming year are:

- President – Chris Brenner
- Vice President – John Crouse
- Treasurer – Ed Kuss
- Secretary – Julie Toske
- Director – Larry Schrieffer

Project Updates

In the April issue of *The Wind*, we posted a want ad for office help. Lynn Kish, who coordinates the FOBs, and Annie Schrieffer, who manages clubhouse rentals, have worked with our management company to develop a plan that covers all of our needs.

Lynn and Annie do excellent work, and we are pleased that they will continue serving Meadow Oaks as volunteers. This arrangement benefits the community by saving money.

Thank you again to both of them, as well as to everyone who submitted an application for the office assistant position. We had strong candidates and will keep your resumes on file should the position become available in the future.

We are still seeking bids for a carport to cover the pool equipment. This structure will help protect the equipment from the sun and prolong its lifespan.

The trees have been planted in the median on Fairwinds and look great.

The new pool furniture has been installed.

Reminders

No food or drink is allowed in the pool area. The only exception is unbreakable water containers. No glass is permitted. Alcohol is not allowed in the pool area. These rules comply with state, county, and MOMA regulations.

If you are listening to music at the pool, personal headphones must be used. Speakers are not permitted. Please be considerate, as your choice and volume of music may not be appreciated by others.

If you notice a problem in the community, please use the following contacts:

• **Emergency situations:** Call 911 immediately.

• **Non-emergency situations:** Call 727-847-8102 (Option 7) to reach dispatch. This line operates 24/7; you may need to let it ring several times.

• **Potholes:** Call 727-847-2411 (Pasco County main number). The operator will direct your call or take your report. You may also use the MyPasco app.

• **Streetlight outages:** Contact Withlacoochee River Electric at 727-868-9465.

Please provide the address and the pole number located on the light.

Contact information for MOMA Board Members and Village Presidents can be found in *The Wind*. Please do not use social media to contact Board members.

The Meadow Oaks landline number is 727-856-6426. General Meadow Oaks Master Associ-

Green Side Village ARC Committee

Greenside Village has established a new and updated ARC Committee to better serve our residents. The revised ARC guidelines and application process are now handled through our management office, CMS.

Please contact manager3@communitymsi.com to obtain the necessary forms and guidelines to assist with your requests.

Please be aware of these changes, and have a happy spring.

Dog Park Exploratory Committee Meeting May 6th at 5:30 PM in Clubhouse Card Room

Need a person to head up this committee.

The Meadow Oaks Master Association Board of Directors (BOD) voted to form a committee for the purpose of researching the best location, cost, size, rules and liability of installing a community dog park.

We currently have three members that are willing to serve on the committee. We are asking for additional volunteers and someone to head up the committee, to help as there is significant research and information that must be gathered to propose a solution to the BOD.

If you are interested in serving on this committee, please come to the meeting on May 6th at 5:30 p.m. Questions or cannot make meeting contact Kevin Smith or Brenda Martens at woodview-president@gmail.com or martensbren@icloud.com, 813-909-3756. Community input is the only way this project gets approved and funded!

ation information, along with the community calendar and copies of *The Wind*, is available on our website: <https://meadowoaks>

Let's Get Physical & Have Fun!

Meadow Oaks Community offers plenty of ways for residents to stay active while having a great time!

■ Juice Your Joint Walkers log 3 miles each session—all within the comfort of the air-conditioned clubhouse.

■ Yoga provides gentle stretching along with relaxing, stress-relieving meditation. You'll feel better from head to toe after every class.

■ Water Volleyball is packed with fun and delivers a fantastic workout.

■ Pickleball continues to be a community favorite, with friendly players always ready to welcome newcomers.

You can find days and times for all activities in *The Wind*.

We enjoyed a water aerobics dry run (or should we say wet run). We gave water aerobics a whirl and it was great fun. We still need a volunteer to lead on a regular basis. If you are interested, please contact Mary Maloney via text 708-642-4405.

Come join the fun, meet your neighbors, and stay active!

Hippity Hoppity Easter Egg Hunt

The Easter Egg Hunt was successful and a lot of fun. We had snacks, games, prizes, and lots of eggs for all. The kids loved the potato sack races, 3 legged races, and eggs on spoons. For the little ones we had games inside like fish for a duck, pin the tail on the rabbit, egg toss in a bucket, and throw rings on the bunny ears. It was fun for all.

A big hearty thank you to all the volunteers who showed up and helped. Thank you for all your decorations you made as well as all the cookies and desserts. You are truly appreciated. I hope you enjoy the pictures. A big shout out to Mina STGO HVAC for donating the drinks and helping us clean up. A big thank you to Mina STGO's son, Ian, for playing the Easter Bunny for this event. The children really enjoyed seeing the Easter Bunny. I look forward to next year's egg hunt.

Virginia Lit the Fuse for Independence 250 Years Ago this Month

July 4th gets the fireworks. But the fuse of independence was sparked on May 15, 1776 — 250 years ago this month — in Williamsburg, Virginia.

nial delegates voted unanimously to instruct their representatives in Philadelphia to propose independence from Britain. It was the first official government action by any colony calling for a break with the Crown, and it set everything else in motion. Three weeks later, on June 7, Virginia's Richard Henry Lee formally introduced the motion for independence in the Continental Congress. A committee was appointed. Thomas Jefferson was handed a quill.

Without Virginia's May 15th vote, the timeline of American independence might look quite different. The Declaration of Independence might carry a different date entirely.

July 4th still gets the party. But Virginia got there first, according to the Library of Virginia.

No-Fuss Frozen Treats for the Whole Family

When the temperature climbs, the answer is usually twenty minutes away from the freezer. Frozen treats don't need a recipe card or a special trip to the store. Some of the best ones barely need any effort at all.

Watermelon slushies. Cube watermelon, freeze it, blend it. Add a squeeze of lime. Done.

Frozen yogurt bark. Spread plain or flavored yogurt on a parchment-lined sheet pan and scatter on whatever sounds good — berries, granola, honey, mini chocolate chips. Freeze until solid, then break into pieces. Adults love this as much as kids do.

Fruit bars. Blend any ripe fruit —

Frozen Treat continued

mango, strawberry, peach, mixed berry — pour into popsicle molds or paper cups with a stick, and freeze overnight. Four ingredients maximum.

Frozen grapes. Wash, dry, freeze on a sheet pan, transfer to a bag. Somehow better than you'd expect — sweet, cold, and actually refreshing on a hot afternoon.

Smoothie popsicles. Any smoothie you'd normally drink works in a mold. Spinach popsicles (blended fresh spinach, milk, yogurt and/or a frozen banana) turn a satisfying shade of green that kids find either alarming or completely wonderful.
